APARTADO
RUTINI

GRAN
CABERNET SAUVIGNON

VARIETAL
100% Cabernet Sauvignon

ORIGIN
Gualtallary

SOIL
A deep sandy-clay matrix developed over extensive sand deposits of aeolian origin. A geological profile that defines a precise expression of Gualtallary Cabernet Sauvignon.

VINEYARD ALTITUDE
1,300 m a.s.l.

TASTING NOTES
A pure, well-defined Cabernet Sauvignon, with a clear expression of black fruit and delicate herbal layers. On the palate, it shows structured, refined tannins, with balance and great precision. Cellar aging adds complexity and refines its structure, enhancing its expression and character.

FOOD PAIRING
Ideal with grilled red meats, lamb and game. It also pairs well with roasted vegetables, mushrooms and medium- to long-aged cheeses.

AGING POTENTIAL
20 years
